

FSC™ Controlled Wood Expert Course

FSC controlled wood standard FSC-STD-40-005 V3-1

INTRODUCTION: This is a training to bring FSC CoC and CW auditors up to speed on FSC controlled wood standard (FSC-STD-40-005) V3-1. This new standard version strengthens and expands the scope of FSC's due diligence (DDS) approach to Controlled Wood. Hence this training develops further the concept of due diligence, discussing some basic concepts and challenges in conducting robust and credible due diligence.

DELIVERY: 3 days

OVERALL OBJECTIVE: To provide an overview and update on FSC-STD-40-005 V3-1 and to equip auditors with sufficient background and skills in relation to the application and audit of a DDS to auditing this standard.
